

ASIST

Applied Suicide Intervention Skills Training

Presented By:

United Way of Connecticut/2-1-1
Susan Moores, CCW/CIRS,
Provisional Trainer ASIST, 2-1-1 HHS
Allison Southworth, CCW/CIRS,
Provisional Trainer ASIST, 2-1-1/HHS

What is it?

ASIST is a workshop designed to teach the skills to competently and confidently intervene with people at risk of suicide. It introduces participants to intervention techniques, provides knowledge and skills and links them to available resources which are necessary to successfully perform suicide first aid on the person in crisis.

Who should attend?

- DCF Staff
- Juvenile Justice Personnel
- Foster Parents
- School Nurses
